Efficient and goal-driven senior at The University of Iowa studying Business Analytics and Information Systems. Seeking to expand my knowledge of business with practical expertise and asking for your consideration of my credentials.

Work Experience

Julian Electric Inc, Lockport IL   **May 2023-Aug. 2023**

Supply Chain Intern

- Spearheaded the redesign of intracompany packaging, achieving a 38% optimization of shipping costs which freed up 4% more storage in the facility's inventory area
- Analyzed and inputted hundreds of cash receipts, maintaining a high level of accuracy and contributing to smooth financial reporting
- Conducted an in-depth assessment of obsolete material within the Lockport plant, resulting in a reduction in inventory costs and enhanced space utilization
- Transformed complex data sets into visually intuitive dashboards and reports through Power BI

Costco Wholesale Corporate, Issaquah WA   **May 2022-Aug. 2022**

Inventory Specialist Intern

- Worked to resolve supply chain issues in global warehouses by introducing new items found while analyzing YTD and PTD sales trends across various markets.
- Maintained steady inventory in international warehouses by placing and managing over $500,000 worth of purchase orders per week.
- Liaise cross-functionally with regional level departments and external suppliers to optimize purchase order's shipment via truck loads, driving down freight costs.
- Managed merchandise supplier relationships by way of vendor and item agreement preparation and proactive communication via email and phone calls.

Costco Wholesale, Coralville IA   **Sep. 2020-Present**

Operations Associate

- Collaborative abilities and communication skills with members and coworkers drove promotions to member-facing roles. Recognized in May of 2021 in Costco employee newsletter as a model coworker.
